 Readiness Assessment for PAFP: Health Facility Questionnaire

Eligibility Criteria:

- Participant is at least 18 years old
- In-charge or manager of the health facility or the ward of the health facility that provides contraceptive services to postabortion care clients
- Participant has provided their consent to participate in this interview

Remember:

- **Ask one question at a time**
- **Do NOT read the response options, unless otherwise instructed.**
- **Circle or record only one response to each question, unless otherwise instructed.**

Okay, thanks. First I will ask you a few questions to make sure you are eligible to participate.

Read the following questions to the potential participants and have them respond. If any responses lead to '→ STOP', the provider is not eligible to participate. Do not proceed with the survey. Thank the provider for his/her time. Let him/her know that he/she has done nothing wrong.
